

UNICO by MAURO COLAGRECO

Unico by Mauro Colagreco: The award-winning Latin restaurant-lounge that defines its lively South American Identity through three unique aspects: delectable dishes, creative cocktails and a dynamic music scene. Unico by Mauro Colagreco opened at Three on The Bund in 2012, designed & co-founded by the French-Argentinean artistic director, Marcelo Joulia and the serial entrepreneur, Olivier Chouvet, inviting two star Michelin Chef, Mauro Colagreco.

Unico by Mauro Colagreco interior design is the result of a mature reflection, illustrating some of the most iconic Argentinean design elements such as : 'the meat closet', 'the parilla', 'the central marble bar', a vintage furniture collection and the black & white tiles pattern.

At Unico by Mauro Colagreco, two Michelin-starred signature Chef Mauro takes his guests on a journey into a new culinary world by focusing on simplicity, using organic seasonal vegetables produced from his garden and refinement with his gourmet know-how. All his work is based on fundamentals such as respecting the seasons for the best produce and using the highest quality ingredients to provide guests with a memorable dining experience that encourages generosity and sharing.

Under multi-awarded Head Mixologist Héctor Monroy's direction, the cocktail creations at Unico by Mauro Colagreco are infused with Latin passion, soul and creativity. Working with the culinary team for inspiration, Héctor crafts outstanding cocktails that embrace the diversity of Latin liquors, flavors and ingredients.

With Music Director Amar's vision and his 20 years of international experience, the music program at Unico by Mauro Colagreco is progressive, experimental and alternative – the innovative leader in music and music events for the F&B industry.

The place proposes one of the sharpest music selection in town, hand-picked by worldwide specialists of the genre, starting like a movie soundtrack, moving from a pan-sonic atmosphere of cosmic tangos spiced-up with tropical Jazz and iconic voices to a soulful explosion of rare grooves, funky mambos, boogaloos, afrocumbias, genuine bombas, plenas, descargas and more, crossing over as the night goes on, the sound grows upbeat and electronic, enhanced by a few "signature mixes" from world class DJs and live acts. The sound experience of Unico by Mauro Colagreco is like the rest: spontaneous, warm, sexy and undemanding, edgy and accessible in the same time.
